REQUEST TO RE-MAIL THE OFFICE ACTION AND

RESET THE TIME FOR REPLY

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Further to the recent teleconference with the Examiner and at the request of the Examiner, the Applicants respectfully submit this request to re-mail the Office Action dated December 27, 2006 and to reset the time for reply in the above-identified application. The reason for this request is set forth as follows.

As discussed with the Examiner, the Applicants discovered that the Office Action was incorrectly addressed and mailed to another law firm when checking the status of the above-identified application through PAIR. Attached is a photocopy of a first page of the original Office Action with the error marked in red ink. At such time, to address this issue, the Applicants attempted to contact the Examiner who was out of the Office and only recently has returned to the Office. It was further discovered that the correspondence address was incorrectly changed to that of another law firm as indicated through PAIR and the face of the Office Action, and that the Applicants' request to change the correspondence address to Customer No. 27123 (filed on July 9, 2004) does not appear to be reflected in the USPTO's record for this application. A copy of the filed request, certificate of mailing and postcard acknowledging receipt by the USPTO (on July 12, 2004) is also enclosed.

In view of the foregoing, Applicants respectfully request re-mailing of the Office Action to the correct correspondence address (noted below) as well as resetting the time for reply.

Further, per the filed request to change correspondence address, please correct the
correspondence to:
